

edTPA Assessment Materials Version Chart for 2019–2020

In general, candidates should use the assessment materials that are currently available in their edTPA portfolio system (provided by the program, edTPA.com, or their ePortfolio platform provider).

- Candidates who have already made significant progress building their edTPA portfolios with the previous year's handbooks and templates may continue to use and submit that version.
- Starting in September 2019, candidates building their edTPA portfolios for 2019–2020 submission must use the assessment materials for their subject area as indicated in the following version chart.
